

BRING YOUR DOG TO WORK DAY!

This June, bring your canine companion to work for the day and support your local RSPCA

Halifax, Huddersfield,
Bradford and District
Registered Charity: 225575

We're so pleased you're taking part in
Bring your Dog to Work Day!

Wanna know a little more about this awesome day?
Well, National Take Your Dog to Work Day takes place every
June and honours one of our most beloved pets.

It began in 1999 as a way to celebrate companion dogs and
to encourage adoptions.

Having your dog at work with you all day may make
it a little tough to get all of your tasks done,
but having a dog with you may allow you to interact with
your co-workers in a whole new way, as the dog is a great
icebreaker and can massively improve our mental health
by lowering stress!

Dogs brighten up even the best days, so it's pretty obvious
they will up the fun factor at work too.

**So go pitch this idea to your boss quick!
how can they possibly say no?
Especially when you're supporting a
super local charity too, right?**

About your local RSPCA

The RSPCA Halifax, Huddersfield, Bradford & District Branch is a self-funded charity and part of a network of independent RSPCA branches. We are dedicated to finding loving new homes for the animals in our care.

We are proud to work alongside National RSPCA inspectors, whose job it is to rescue animals from distressful or severe situations and bring them into our care.

However, here at your local RSPCA Animal Centre on Wade Street, Halifax - our job is to rehabilitate and rehome the animals brought to us; providing medical care, food, rehabilitation, training, love and a safe place to be.

Our Animal Centre is run by people passionate about animals and their welfare. The Centre provides safety for the many animals in our area that are unwanted or cruelly treated. We pride ourselves on the level of care that we offer to the animals. Each dog is walked and trained daily and spend minimum time in the kennels – usually because they're in our offices! The cattery is bright and welcoming, and we have lots of volunteers to help keep any boredom at bay.

Our branch relies and runs on local donations, our own fundraising events and charity shops to support the animal welfare work we do.

We do not receive funding from the Government or donations from the National RSPCA.

This is why we are so grateful for our local community's support and would not be able to continue without it!

Raising funds your local RSPCA

There's lots of fun ways you can raise funds during your day, here's just a few ideas...

- Ask your colleagues to donate in return for a doggy cuddle!

- Set up a collection tin at your workplace for the week
- Arrange a bake sale, asking colleagues to bring an item to sell

- Host a coffee morning to collect donations over a warm cuppa

- Hold a non-uniform day for a donated amount
- Ask for donations for selfies with your dog

Resources

We can provide you with the kit you need to throw the ultimate pawty!

Whether it's posters...merchandise...leaflets... buckets... collection tins we've got the lot!

We would recommend hanging posters up in your work place, sending an email out to your staff and/or customers to ask them to support your fundraising efforts.

Our friendly team are here to support you with anything you need but most of all, have fun and show your dog what you do to keep them living in the lap of luxury!!
