

**THE  
REALLY  
BIG  
REFURB**

**FULL FUNDRAISING STARTER  
PACK COMING SOON**

**Our Really Big ReFURb is more than a facelift** — it's a vital redevelopment project that will allow us to meet modern animal welfare standards, continue rescuing more animals in need and ensure our centre doesn't face closure in the years ahead.

*But we need your help to raise awareness and secure the support to make this happen.*

**Here are 5 simple ways to help right now:**

-  **Awareness** Share our news online/with friends
-  **Newsletter** Sign up to our mailout, stay up to date
-  **Fundraise** Organise a fundraiser (bake sale/10K etc)
-  **Follow Us** Follow us on socials & share our updates
-  **Donate** Donate to support us throughout our appeal

### **Want to Get Involved?**

We'd love to hear from individuals, small businesses or corporate supporters with ideas or offers of help. Whether you want to donate, sponsor, volunteer or collaborate — we want to hear from you.

Alternatively if you just have questions or want to chat with our team, we're right here!
